

## Non-Motorized Vessel Storage Terms and Conditions

Pacifica authorizes the Storage customer to store their non-motorized vessel on a floating dock at the agreed location, provided it fits on a single rack space and does not interfere with and/or create a hazard for other vessels or persons.

Storage customers are allowed 24-hour access to their vessel. A key code will be provided for the locked doors for after hours access. However, Pacifica strongly urges customers to take and return their vessels during regular business hours.

Storage fees are for the rental of space only, and any additional equipment required by the customer must be borrowed or rented with the approval of the Pacifica Paddle Sports office.

Storage fees are due when requested. A schedule of fees will be provided with each request and is posted on our website.

The storage location may change by mutual agreement of both parties.

The storage customer assumes all risk in relation to the loss of or damage to personal property of the customer from any cause whatsoever. Likewise, Pacifica Paddle Sports shall have no responsibility or liability for the loss or damage to customer property from any cause whatsoever. The customer shall waive any rights to any claim against Pacifica Paddle Sports that they may make to an insurer or for all costs relating to the loss of, or damage to their personal property.

The storage customer may provide additional security in the form of locks and cables. The storage customer must provide Pacifica Paddle Sports with a copy of any key or combination used to lock their boats.

Pacifica employees will not allow your personal vessel to be used without your permission. If you are letting family members or friends use your vessel, please alert Pacifica, so we can assist them with the correct one.

Pacifica Paddle Sports may, at its sole discretion, choose to end this storage agreement by providing the storage customer with 30 days notice and a refund of any fees paid beyond the 30 days.

The storage customer may end the agreement by providing 30 days notice. A refund of any fees paid after the 30 days notice period will be refunded.

If a request for payment remains unpaid for 30 days, Pacifica Paddle Sports will assess a service charge of 1% for each month that the request remains unpaid.

In the event a storage customer does not pay any unpaid balance of storage fees on request after 60 days, then Pacifica may treat the vessel as abandoned. Pacifica will sell such abandoned vessels in a commercially reasonable manner and apply the proceeds to the costs of sale and any unpaid storage fees. Pacifica will make all reasonable efforts to contact the storage customer and will forward the balance of the proceeds to the storage customer.

Pacifica will use the most recent email and/or mailing address that was used to make payment on a request.

**It is the responsibility of the storage customer to inform Pacifica of any changes to contact information as soon as they occur.**
